Powering Business Worldwide

Controls, Drives and Automation

VFD's, Industrial Controls.
Automation & sensors.

Badger Meter

Flow and Energy Measurement

Measure and control the flow of liquids, gas & steam. Energy (BTU) meters and submeters. Ultrasonic, Electromagnetic, Thermal Mass, Impeller, Vortex style meters. Specialty flow meters.

Thermal Dispersion Airflow Measurement

Precise Airflow Measurement

Thermal Dispersion Technology. Air handling unit airflow measurement. Fan array and duct airflow measurement, thermal image people counting for demand control ventilation.

WE HUMIDIFY THE AIR

Steam Humidifiers and Generators, Pressurized Steam Injection Systems

Specialty humidifiers for spa rooms

Needlepoint Bi-Polar Ionization, (NPBI) Technology

Engineering air for a cleaner world using patented technology through soft ionization with no ozone generation, UL2998 certified VOC and odor control

Hazardous Gas Detection Devices & Controls

Chiller room refrigerant detection. Vehicle garage CO and NO2 detection. Explosive gases, % LEL, and battery rooms. Laboratory gas detection.

Steam Humidifiers and HVAC Controls, Valves, Actuators

Gas Flow Measurement

Thermal mass gas flow meters. Facilities & Energy Management. Compressed air flow meters. On-site calibration verification.

Filtration Group®

Odor / Corrosion Control, Microbial Filtration & Toxic Gas Scrubbers

Portable air cleaners

Where Form Follows Function

Sky Blade - HVLS fans

Up to 24' diameter fans for commercial, industrial, agricultural applications.

Energy Recovery Wheel Products

All heavy-duty rotor components, hub and tapered roller bearing assembly, spokes, and rim, seals, motor, control unit, and media

Lab and Critical Room Controls

Laboratory and fume hood controls. Isolation room pressure monitoring. Cleanroom monitoring systems. Particle counters for compounding pharmacy rooms.

The leader in UVC Disinfection and HVAC Efficiency, Energy Savings

Full line of HVAC products for ducted applications, fan coils, VRF systems, PTAC's, mini-splits, etc
Upper room air disinfection models available

Portable Air Cleaners available from Daikin, Nailor & Purafil
